Personal Information

Date of Birth: Jul 11, 1987
Nationality: Pakistani
Country: Pakistan
City: Hyderabad / Karachi
Marital Status: Married
Languages: English, Urdu
Industry: Information Technology
Career Level: Experienced Professional
Functional Area: Front End Developer, WordPress Theme Developer
Hosting Administrator, Project Manager

Professional Summary

Results-oriented Professional who works well under pressure both individually and as part of a team. Exceptional interpersonal and communication skills.

Provided maintenance and features creation using front-end web technologies such as HTML 5, CSS3, JavaScript, jQuery, and other client-side development processes.

Worked closely with graphic designers and Senior Dot.net and PHP Developers in a dynamic team environment, observing both detailed specifications and immediate word-of-mouth change requests. Used Photoshop for slicing, cutting, and optimizing graphics.

Researched and evaluated alternative technical solutions and recommend the most efficient and cost-effective solution.

Created many custom Wordpress, Woocommerce and Magento Themes from psd and Editing Shopify themes
